Space  
Program**

/ BusinessOwnerSpace.com is simple to use and highly relevant for business owners. The website offers access to partner organizations, an extensive online library and comprehensive events calendar.

**Additional  
Business  
Owner  
Space  
Tools**

- / A five-question process to highlight resources and information that businesses need most.
- / A detailed diagnostic process specifically designed to provide small business owners and entrepreneurs a comprehensive method of assessing risk and capabilities.
- / A customized daily search of more than 1,000 federal, state, county, city and municipal websites that provide notification of contract opportunities.
- / The BOS Online Forum—a business-to-business resource enabling entrepreneurs and business owners to connect and provide information, support and mentoring.
- / Ongoing news and announcements that inform local businesses about events, programs and new regulations.
- / A comprehensive template for creating a business plan.
- / Help with hiring staff or speak to a business coach by calling 877.880.1222.
